# AACC (CHC) Agency Nurses Network: 28<sup>th</sup> September 2024.

## Meet your:

### Hosts:

**Bose Adegbola** is a Registered General Nurse with career spanning 40 years, of which 19 years was in Geriatric Medicine. Bose has worked in CHC across various NHS Trusts and Clinical Commissioning Groups (now ICB). She has a wealth of experience in various roles

ranging from Interim Clinical manager, a Senior Nurse, CHC projects, Complex Case Management, Appeals, PuPOCs (previously Retrospective) and Complaints. Bose also has interest in Service Redesign. she is an Independent CHC Consultant, Trainer, author of 4 books and CHC Alliance Whatsapp group coordinator.

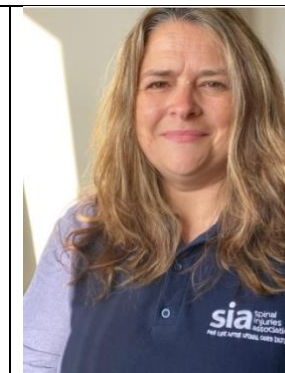

**Spiwe Shana** Registered Learning Disabilities Nurse with over 22 years' experience supporting adolescents-adults with mental health needs; intellectual/learning disabilities; autistic spectrum disorder, behaviours that challenge and physical disabilities. She worked in a variety of settings including managing a residential care home, forensic/secure units, step-down/rehabilitation units community and 12+ years' experience in CHC working in (CCGs) ICBs as Complex Case

Management, Team Lead, CHC Trainer and Best Interests Assessor (COPDOL). Spiwe currently works as an Interim Clinical Lead & Complex Case Manager. She is passionate about networking, sharing knowledge, personal and professional growth, also the Founder of a thriving CHC Assessors Whatsapp platform and Co-Founder of CHC (now AACC) Agency Nurses Network. Her motto is: *ASPIRE to INSPIRE before you EXPIRE!*

### Keynote Speakers:

**Jane Reynolds** has been working in health and social care for 54 years. Alongside many other work roles, she chairs the NHS Continuing Healthcare Independent Review Panel in London (and has been doing so since 2003). She is involved with Disputes between the NHS and Local Authorities about particularly complicated Continuing Healthcare cases and has delivered training about Continuing Healthcare to thousands of professionals. She is very passionate about the pursuit of best practice and ensuring that the consideration of each and every individual's case is truly person-centred.

**Carol Barraclough** is a wife, a mum and a Support Network Coordinator for SIA, offering information, advice and positive insight into life with SCI to other families affected by it.

## Meet your:

### Guest Speakers:

**Olanrewaju Owolabi** graduated in Nigeria as an Architect but got into the world of sales when he moved over to the U.K. He worked as a consultant with American Life insurance company from 2003 to 2005. He left the world of financial services in 2005 to pursue his first love in interior architecture and designs. He had a successful career spanning over many years working with different interior design companies. He started his own company Multiflex Options in March 2007. Multiflex options later evolved to become Paul Gabriel Ltd in 2016 which closed down 2020 due to the Pandemic. Olanrewaju went back to financial services working with Aliviar Financial brokers and specialising in personal protection products due to the ripple effects of losing the breadwinner of the home. He has deep passion and knowledge in getting insurance products to match various family and health circumstances with leading insurance providers.

**Caroline Babajide**, I am a registered nurse and Utility Warehouse (UW) Partner. I help customers to save on utility bills with bundle multi-services and also encouraging them to develop multi-income streams I am sociable, open minded and possess a vision for success. The benefits and the huge savings on my utilities compelled me to introduce Utility Warehouse (UW) to others.

**Primerose Chiguri** (nee Makunzva) LLB (hons) LLM is the Principal Solicitor of Gabriel Rose Solicitors, a prestigious niche law firm specialising in all aspects of Business and Personal Immigration as well as Family law. Primerose specialises in compliance training providing legal support for businesses that recruit workers from outside the UK through the skilled worker routes. She also provides Training tailored for employees to help them remain compliant with the laws of the Land. Her service is a holistic service designed to enable employers and

their employees understand the relevant regulatory frameworks that apply and ensure compliance across the board. Your business will benefit from her wealth of experience as she has 18 years of direct legal

**Dr. Tiritega Mawaka** is an experienced NHS leader working within All Age Continuing Healthcare: having worked as deputy director and associate director in AACC Tiritega brings to this session her reflections on career development within AACC following completion of the Nye Bevan Programme. Tiritega has

over 21 years of NHS experience and is passionate about dementia and ethnicity; and knows from experience the importance of system collaboration to improve the patient experience.

# AACC (CHC) Agency Nurses Network: 28<sup>th</sup> September 2024.

## Meet your:

experience in the UK representing both businesses and private individuals.

**Audrey Mitchell** - A dynamic patient and community focused individual with a commitment to the provision of high quality and safe care for patients. Effectively engaging with carers and the community to tackle health inequalities amongst disadvantaged groups. She is a strong communicator, who is able to foster the key relationships required in order to achieve success, promote staff well-being proactively engaging staff in daily walks, weekly choir and staff voice network.

**Tracy Chipoyera** - Transformation Leader | CEO of Tari Healthcare Solutions| Coach & Mentor  
With over 20 years of experience in healthcare, including as a registered nurse, she offers extensive industry knowledge and practical expertise. Tracy is a renowned visionary leader in NHS service transformation and her role is driving high-impact programs. She is dedicated to fostering growth and achieving meaningful, sustainable change. Her career reflects a commitment to continuous learning, strategic insight, and empowering others to realize their full potential. Driven by a passion for innovation, resilience, and creative problem-solving, Tracy consistently leads teams to develop transformative solutions that redefine healthcare.
